Run, Hide, Fight

As a part of Gwinnett Tech's preparedness objective, we want to provide everyone with a safe and healthy learning environment. With the increase of incidents on college campuses, schools and public places, it is increasingly important to have a plan for how to respond in an active shooter situation. Students and employees can help prevent and prepare for potential active shooter situations by viewing the "Run, Hide, Fight - Surviving an Active Shooter Event" video. The video will assist you in planning for your personal safety. [watch video](#).

Help us by bringing your aluminum can tab donations to building 200 - room 121, 245, 133 or the student lounge. Thank you for your support!

Each is worth 2 cents so we can financially support this global non-profit institution dedicated to fighting poverty. Besides helping the charity, it also helps the earth. The corks are recycled and not put in landfills. Did you know that it takes over 1,500 gallons of water to grow the cotton required for just one pair of jeans and each American discards over 65 pounds of clothing per year? Help us by continuing to donate your corks! Drop off is in bldg. 200, room 245.
